## PROFILE

Hilbert native Riley Nett earned his associate degree in Business Management at Fox Valley Technical College, and (working full time and taking night classes) his bachelor's degree in Accounting at Lakeland College.

Riley looks forward to interacting directly with a growing number of clients. He finds it personally satisfying to see his workload and experience set expand. A day goes by quickly for him, as he focuses on a project and immerses himself in its details.

Individual, partnership, and corporate tax returns are among Riley's expertise. Auditing (for public school districts, charter schools, and non-profits) and payroll have further added to his professional development.

As he starts a new career, he also starts a new life, as he married Jamie (also a CPA) in September 2015. The two have purchased a home in Oshkosh.

## Focus Areas

Nonprofit

Tax Planning & Consultation

Small Business

Audit & Assurance

## INTERESTING FACT

Riley enjoys running. He finished the Cellcom Green Bay Marathon in under four hours. Twice, he's run across a frozen Lake Winnebago and back again (a round trip of 14 miles), using roads plowed across the lake for ice fishers.
